I'm going to respond more fully, but think we need to discuss local rule 26 as it pertains to e-discovery, costs, and language of requests, among other things. I am available most of the day on Monday. We sent out partial responses a few days ago, I hoped to have more but we are unfamiliar with this process and it's taking much longer then expected. I'll try to respond tonight or early tomorrow, apologize but I am in a mediation with the court that's going much longer then expected.
